

P.E and Fitness and Use of P.E Grant 2014/15

Our school gives the development of pupils fitness and physical education a high priority. We used the P.E grant (£9222 for 2014/15) to support our P.E and Fitness programmes by:

1. **Providing a range of our of school hours clubs** (presently 8 in number) to give pupils more opportunity to engage in sports and fitness activities (provision £3000 approx. annually). Clubs include Football, Cheerleading, Multisports, Gym and Gardening.
2. **Involving our pupils in a range of inter schools** P.E and fitness events both competitive and non-competitive (fees to the 2 sports colleges and other organisations and transport fees = £4,300+ for 2014/15).
3. **Providing extra staffing to support P.E and fitness** activities both in school and out of school hours including Ballroom Dancing and Rugby. Our out of care and especially in Breakfast Club and in our out of school hours care provision (staff costs approx. £750 in 2014/15).
4. **Provide the resources and training staff** needed to deliver our high quality P.E and Fitness programme (approx. £1500 in 2014/15).

It is our intention to continue to develop and maintain our P.E and Fitness programme in these ways during the next and subsequent years and to use the P.E grant to help finance them.
