Christine & Chair of Governors

I am writing to say a massive thank you, to your staff and children who performed at our Christmas Concert yesterday in Cleckheaton Town Hall. As a musician of over 25 years, I have worked with many schools and not many school choirs can perform in front of a full auditorium, to the high standard that the children performed yesterday. Also as a Chair of Governors at a school near where I live, I fully understand the time commitments on the Head Teacher and staff, as well as the large amount of work that is needed to enable this to happen.

When concerts finish I always go to the back of the auditorium to talk to members of the public as they leave, yesterday I received so many great comments about your children from the general public as well as parents leaving with their children, who all enjoyed the event.

Christine, I was immensely proud to work with your staff and children yesterday and look forward to performing alongside them again soon.

Please pass on my thanks to the Staff and Children as well as, wish them a very Happy Christmas from The band members and myself.

Many thanks

Group Manager (Hon)
