EYFS will be represented by our Year 2 candidates.

Congratulations to all.

October half term Minecraft Meet holiday activity

The Curriculum Innovation team is again delivering its highly popular holiday Minecraft Meet during October half term.

If you are aged between 6 and 11 years old then join the Bradford Curriculum Innovation team for one of our half day Minecrafeets.

Have you ever wanted to be a Youtuber? Then this is your chance!

In this Minecraft session to be held at The Innovation Centre Bradford we will create a story, build a stage, add some actors and then teach you how to film it and record a voice over. Your video will then be loaded onto our website to share with your friends and family. You have the choice of attending either the morning or the afternoon session.

As a memento of the day you will be given a free photo of you in a Minecraft world to take away with you and a special souvenir. Sessions are priced at £9.50 per child. Please visit :<https://tinyurl.com/MmBfdOct> to find out more and to book your place.
