4th January 2021

Good evening Parents and Carers,

The Prime Minister has announced this evening that schools must close with immediate effect from tonight for all children other than 'Critical Worker' children and a small group of other eligible children.

If your child does not belong to one of these groups then they should access online learning from tomorrow. Earlier this academic year, you were sent a letter which gives you details of the time your child should log in for their online lessons. This is also available to view on your child's class stream on Google Classroom. Information about how to use Google Classroom is also available on the school website. If you have any issues accessing your child's remote learning then please contact school tomorrow afternoon where class teachers will be available to offer online support and access to resources.

If your child is a 'Critical Worker' child then school will be open for them from 8am-3:30pm tomorrow and will continue to be open for them until further notice. Please drop off and collect your child from the school office. Other children who are eligible to attend school will be contacted individually by text this evening. Please find the criteria for critical workers by [clicking here for the critical worker list](#).

I will write to all families tomorrow with more detail on our plans for online learning and information of support that can be accessed during these difficult times.

If you have any questions or concerns, please do not hesitate to contact us tomorrow.

Kind regards,

Anna Gautrey
Headteacher.
